ONE HUNDRED REASONS WHY YOU SHOULD CARRY A BANK ACCOUNT

(CONTINUED)
It shows you the true line of difference between luxuries and necessities. A bank account is, itself, the only luxury that does not cost anything. As "money is power," a bank balance makes you a greater force among your fellow men.

It sets a good example to the young people and may change the whole course of their lives for the better.

The banking habit gives you a knowledge of commercial law.

The bank can get commercial information for you, from distant places, obtainable in no other way.

Heart Strength

Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—something more. Physicians tell you weak heart is a hundred fold more generally diseased. It is almost always a hidden tiny little nerve that really is all right. These hidden nerves—the latent or Heart Nerve—do it all, and must have, just power, more stability, more controlling more governing strength. Without that the Heart must continue to flounder and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this peculiar prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, positive heart help. If you would have strong hearts, strong digestion, strengthen these nerves—reestablish them as needed, with

Chamberlain's Liniment.

This is a new preparation and a good one. It is especially valuable as a cure for chronic and muscular rheumatism, and for the relief from pain which it affords in acute inflammatory rheumatism. Lame back, lame shoulder and stiff neck are due to rheumatism of the muscles, usually brought on by exposure to cold or damp, and are quickly cured by applying this liniment freely and massaging the affected parts. Soreness of the muscles, whether induced by violent exercise or injury, is allayed by this liniment. For sale by all druggists.

The work of placing the new block signals on the Frisco system is progressing rapidly. There will be 720 block signals placed on the road between Eureka and St. Clair; Nichols and Monett; Rosedale and Nichols; Southern Junction and Willow Springs; and Jasper and Coal Creek. This work will be completed in two months. All these stations are in Missouri—Springfield Republican.
